# Physical Development

## English-language development domain

Beginning Level: Children are listening and actively processing the features of the English language.

Middle Level: Children will repeat phrases that are functionally effective, increase vocabulary, and begin to combine words.

Later Level: Children will have stronger comprehension, use English to learn, use appropriate English grammar, and engage in most classroom activities in English.

Substrand: Manipulative Skills			

## Physical Development

- What was the most important thing that you learned in this experience?
- Did you find areas of development or concepts that you want to strengthen in your own understanding?
- How will this influence your work now or in the future with young children?
