These Webinars are held to recruit potential Director Mentors and the help them qualify to apply. During the session, we provide an overview of the Mentor Program and then provide detailed information on the Director Mentor Component: requirements, application procedures, review of the *Program Administration Scale*, and both the benefits and responsibilities of Director Mentors. **ALL Director Mentor applicants must participate in a DM Info Webinar PLUS an 8-hour Director Mentor Institute (DMI). DMIs are only open to individuals who have attended a DM Info Webinar** (this year or in previous years). The two DMIs this year will be held in early December (Sacramento) and in March (Los Angeles area). Exact dates and locations will be shared during the Informational Webinar.
