CCCECE Executive Board Election Results

This spring the Nominating Committee solicited nominations for the following positions: President, President Elect, Vice President of Program - North, Vice President of Public Policy - North, and Vice President of Public Relations. Over the period of several months, four individuals stepped forward and expressed an interest in serving. Since each position has one nominee, the Executive Board has determined that we should elect this slate of officers by acclamation:

President:

Mr. Joel Gordon, Santa Rosa Junior College

Vice President: Unfilled

Vice President of Program – North:

Ms. Darlene Jackson, Sierra College

Vice President of Public Policy – North:

Dr. Phil Freneau, College of the Redwoods

Vice President of Public Relations:

Dr. Patty Dilko, Canada College

We are grateful to these dedicated professionals for their willingness to serve, and hope that you offer them your full support in the coming year!
