

CCCECE ShoutOut! CLASS Consultants

June 27, 2011

Sent on behalf of Kathi Cliff, CCCECE President:

Announcement from Patty Scroggins, Child Development Training Consortium:

Please be advised of a wonderful opportunity for child development adjunct and/or retired faculty as a Classroom Assessment and Scoring System (CLASS) Observer/MTP Coach in the CARES Plus, Component D, State Coaching Pilot.

CDTC, through contract with First 5 CA, will implement Component D. The first step in this is to contract with up to 45 observer/coaches through a consultant contract. The consultant must maintain a level of education, early care and education experience, and expertise in working with adults that is comparable to those of faculty. Therefore, we are hoping that you will share this information with faculty at your campus and help spread the word. Again, it is a great opportunity for adjunct or retired faculty.

Attached you will find an introductory letter, specifications of the duty statement and process of securing a contract, and the application. If you are interested, please complete the application and return to CDTC at honead@yosemite.edu by June 28, 2011.

Thank you for your consideration of this opportunity, and please make sure to share this with your colleagues.

Patty Scroggins, Director
Child Development Training Consortium
